Vice-Chancellor's report

Thanks to the generous support of our donors and sponsors, the Federation University Australia Foundation provides Foundation Scholarships that ease the financial burden experienced by students in need of assistance. Through your support the Foundation transforms lives every day and supports those students who are struggling financially.

In 2024, we awarded 254 Foundation Scholarships to the total value of \$859,000 with individual values ranging from \$500 to \$10,000. These scholarships were awarded to higher education and TAFE students who demonstrated a strong commitment to study and had experienced economic disadvantage. Without this financial support, many of these students would not have been able to continue their studies and for many, it is the first time anyone has expressed belief in them.

We held Foundation Scholarship presentation events at our Berwick, Gippsland, Mt Helen and Wimmera campuses during 2024.

To our donors, we say thank you for your belief, your generosity and support. Thank you for helping us to transform lives. The Foundation also acknowledges with gratitude funds donated to the University prior to the establishment of the Foundation, which enabled the creation of the overall scholarship fund. I look forward to what we will achieve together during 2024.

Best wishes,

Duncan Bentley
