From discovering your strengths to understanding the path that you should pursue. ATMC has it covered

## Master your skills with Masterclass

Learning is an on going process. ATMC creates the culture where learning is not just the textbook but even the handshake has its meaning

# Career development Centre

A place for:

- 1. Job Hunt
- 2. Resume Support
- 3. LinkedIn Profile
- 4. Interview Skills
- 5. Short Course Advice/Funding

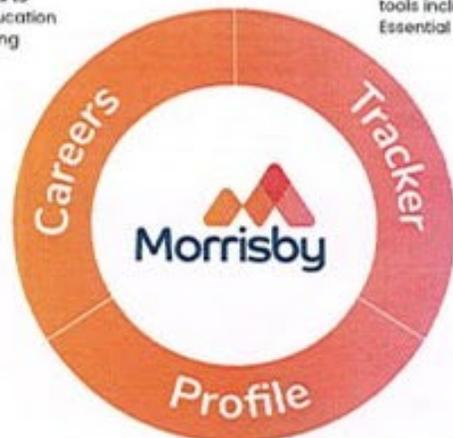

# Career Development Centre

## Your integrated suite of careers tools

### Careers matching and research

Questionnaire based and providing rich research tools and resources to support career education and decision making

### Careers activity, enrichment and transferrable skills

Activity recording and tracking tools including SkillsBuilder Essential employability skills

### Advanced psychometric profiling

A leading psychometric tool to match individuals to careers, subjects and post school study areas, while raising aspirations

### For Students

- Proven self-discovery tools
- Accurate career and study area recommendations
- Raises aspirations through the "what if" and "focus on" tools
- Independent guidance
- Up-to-date career and study area information to inspire research
- Embedded employability skills tools to evidence progress
- Careers passport a digital "record of achievement"

### For Careers Leaders

- Flexible management system to aid reporting and oversight
- Simple administration
- Customisable reporting that makes it easy to separate and work with different student groups
- Embedded SkillsBuilder to support enrichment and acquisition of transferable skills
- Sophisticated careers planning tool to help organise and manage your careers education programme

“ The Morrisby Profile showed me another side to my personality and directed me towards Architecture which I now have offers for. It helped me to identify links between the different fields and opened my mind to new ideas and pathways. ”

Y12 student

## careeranalysts

Established in 1967, the name Morrisby is synonymous with leading careers guidance services. Morrisby is Matrix accredited, the quality standard for organisations to assess and measure their advice and support services for individuals in their choice of career, learning, work and life goals.
