Portfolio

The Institute of Health and Wellbeing operates across the main campuses of Mt Helen (Ballarat), Berwick and Gippsland (Churchill), and comprises approximately 150 fixed term and continuing academic staff, and a range of administrative, professional and sessional staff members. The Institute offers undergraduate and postgraduate programs in exercise and sports science, nursing, midwifery, paramedicine, psychology, occupational therapy, physiotherapy, public health, speech pathology, work health and safety, and research. Research, industry collaboration and consultancy form a major aspect of the Institute's activities, with numerous partnerships established with local, state, national and international organisations.

Background

At Federation University, we are driven to make a real difference to the lives of every student, and to the communities we serve.

We are one of Australia's oldest universities, known today for our modern approach to teaching and learning. For 150 years, we have been reaching out to new communities, steadily building a generation of independent thinkers united in the knowledge that they are greater together.

Across our University and TAFE campuses in Ballarat, Berwick, Gippsland, and the Wimmera, we deliver world-class

education and facilities. With the largest network of campuses across Victoria, we are uniquely positioned to provide pathways from vocational education and skills training at Federation TAFE through to higher education.

To be successful at Federation University you must be willing to enthusiastically embrace the University's ambition as expressed in Federation University's 2040 Strategic Plan and share the University's values of:

INCLUSION, we champion access and equity for all, creating a welcoming, supportive environment for our diverse learners and staff.

INNOVATION, we innovate to transform, embracing new ideas in teaching, research and operations to continually improve and stay ahead.

EXCELLENCE, we strive for excellence in all that we do, holding ourselves to high standards of quality, integrity and impact.

EMPOWERMENT, we support and trust our people, empowering learners, staff and partners to contribute, lead and succeed.

COLLABORATION, we are stronger together; teamwork and strong partnerships are at the heart of how we operate.

Key Minimum Standards for Academic Levels (MSALs)

Teaching and research academic staff

Level C

A Level C academic will make a significant contribution to the discipline at the national level. In research and/or scholarship and/or teaching he or she will make original contributions, which expand knowledge or practice in his or her discipline.

A Level C academic will normally make a significant contribution to research and/or scholarship and/or teaching and administration activities of an organisational unit or an interdisciplinary area at undergraduate, honours and postgraduate level. He or she will normally play a major role or provide a significant degree of leadership in scholarly, research and/or professional activities relevant to the profession, discipline and/or community and may be required to perform the full academic responsibilities of and related administration for the co-ordination of a large award program or a number of smaller award programs of the institution.

The standards are not exhaustive of all tasks in academic employment, which is by its nature multi-skilled and involves an overlap of duties between levels.
