

# Enrolment course structure

**Course code:** SI5  
**Course name:** Bachelor of Science  
**Locations:** Mt Helen, Berwick, Gippsland, Online

## First year

### Semester 1

| Unit code  | Unit name                            | Unit rules           |
|------------|--------------------------------------|----------------------|
| SCBIO 1001 | Principles of Biology                | <b>EX:</b> SCBIO1010 |
| SCCHM 1001 | Chemistry 1                          |                      |
| SCCOR 1200 | Scientific Communication             | <b>EX:</b> SCCOR2200 |
| Major      | Major and Minor and Elective Options |                      |

### Semester 2

|            |                                      |                                                                |
|------------|--------------------------------------|----------------------------------------------------------------|
| SCCOR 1300 | Scientific Practice                  | <b>EX:</b> ENCOR1015 or MATHS1000 or EDMTH1000 or MATHS1101    |
| COOPS 1001 | Professional Identity (Science)      | <b>EX:</b> COOPI1001 and COOPB1001 and COOPE1001 and COOPC1026 |
| Minor      | Major and Minor and Elective Options |                                                                |
| Major      | Major and Minor and Elective Options |                                                                |

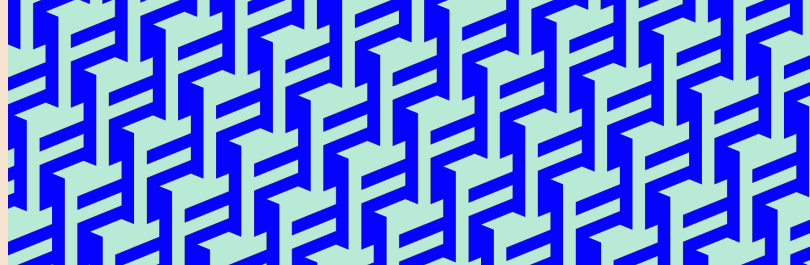

## Second year

### Semester 1

| Unit code | Unit name                            | Unit rules |
|-----------|--------------------------------------|------------|
| Major     | Major and Minor and Elective Options |            |
| Minor     | Major and Minor and Elective Options |            |
| Elective  | Major and Minor and Elective Options |            |
| Elective  | Major and Minor and Elective Options |            |

### Semester 2

|            |                                      |                                                                                                                                                                                                 |
|------------|--------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Major      | Major and Minor and Elective Options |                                                                                                                                                                                                 |
| Minor      | Major and Minor and Elective Options |                                                                                                                                                                                                 |
| COOPS 2011 | Co-operative Placement 1 (Science)   | <b>PR:</b> must have achieved at least 105 credit points prior to enrolment and COOPS1001<br><b>EX:</b> SCCOR3003 or SCCOR3014 or COOPC2006 or COOPC2026 or COOPE2011 or COOPB2011 or COOPI2011 |

## Third year

### Semester 1

| Unit code  | Unit name                            | Unit rules                                                                                                                                                                                                                             |
|------------|--------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Major      | Major and Minor and Elective Options |                                                                                                                                                                                                                                        |
| Major      | Major and Minor and Elective Options |                                                                                                                                                                                                                                        |
| COOPS 2012 | Co-operative Placement 2 (Science)   | <b>PR:</b> COOPS1001 and must have achieved at least 105 credit points prior to enrolment<br><b>EX:</b> COOPC2006 or COOPC2026 or COOPC2004 or COOPC2003 or COOPC2005 or COOPC2023 or COOPC2024 or COOPC2025 or COOPB2012 or COOPE2012 |

### Semester 2

|                   |                                      |
|-------------------|--------------------------------------|
| Major             | Major and Minor and Elective Options |
| Major             | Major and Minor and Elective Options |
| Minor or Elective | Major and Minor and Elective Options |
| Elective          | Major and Minor and Elective Options |

## Course Rules

### Students must complete:

- **135 credit points** from **Core Units**; and
- **225 credit points** from **Major and Minor and Elective Options**
  - **120** credit points for one **Major**; and
  - **60** credit points for one **Minor**; and
  - **30 to 60** credit points from **Electives**,
  - or
  - **210** credit points for one **Major** from **Double Major**, and
  - **15** credit points from **Electives**

Selected units must include at most 150 credit points at level 1000.

Selected units must include at least 60 credit points at level 3000.

Navigate to the Course Rules section in the [Handbook](#) to view unit options for Curriculum Studies and Discipline Studies.

## Additional information

You'll find unit outlines in the [handbook](#).

When you're ready to enrol, log into [my Student Centre](#) and follow these [enrolment instructions](#).

Think you might be eligible to apply for credit for **P**revious studies? Find out [how to apply](#).
