

# Need support or information about an equity concern?

The Equity and Safer Communities team is committed to creating a safe, inclusive and respectful community where everyone feels they belong. We support equal opportunity and work to prevent discrimination and harassment across all areas of university life.

We can assist with matters related to:

Age

Gender or Sex

Pregnancy

Breastfeeding

Carer status

Race or Ethnicity

Disability

Religion

Sexual orientation

How we can support you:

- **Individual support and advice** on discrimination, harassment, or requests for accommodations and reasonable adjustments.
- **Safe reporting options** and connection to specialist services for anyone who has experienced sexual assault or sexual harassment.
- **Care Leaver support** for students who have spent time in out-of-home, foster, kinship or residential care — including help with enrolments, scholarships, and study support.
- **Chosen name** on University systems, including email, Moodle and student ID cards, to reflect your chosen name.
