

## Experience the buzz of multicultural Melbourne, while studying in the welcoming and diverse community of Berwick.

As a student at our Berwick Campus in Melbourne's outer south-eastern suburbs, you will find the peace to focus on your studies while never being far away from the excitement of the big city. You'll have access to an excellent public transport network, healthcare services, cultural centres, beautiful parklands and a thriving entertainment precinct. No matter where you're from or what interests you, you'll feel right at home.

**Connect with friends from all walks of life  
in Australia's best student city!\***

### Campus facilities

With an emphasis on business, allied health, social work, nursing and IT – the Berwick Campus provides you with state-of-the-art facilities and the latest technologies you will need to master for your future career. The multi-level campus design features science labs, nursing simulation labs, a library, student lounge, study rooms, lecture theatres and more amidst spacious landscaped surroundings. Did we mention there is plenty of on-campus parking available for cars, bikes and scooters? Plus, if arriving by train, Berwick station is just a 15-minute walk to campus.

### Discover Berwick

Set in Melbourne's eastern suburbs, our Berwick Campus gives you the best of both worlds — a modern study environment surrounded by parklands, shopping precincts, cafes and cultural hotspots. With major hospitals and industry partners close by, you'll find plenty of opportunities to kickstart your career through Co-op placements and connections.

On weekends, discover scenic trails in the Dandenong Ranges, explore local markets, or relax with friends over Melbourne's famous coffee. Berwick is safe, welcoming and full of character — the perfect place to study, explore and feel at home.

Crowned the fastest-growing capital city in Australia, Melbourne is a favourite destination for people from across the globe. So much so, over 49% of Victorians were born overseas and 27% of Victorians speak another language other than English\*\*.

## Community and industry engagement

Paid work placements in your chosen industry are integrated into many Federation courses with our Co-operative education model (Co-op).

Thanks to our established collaborative industry partnerships, students feel work-ready and benefit from boosted employment opportunities.

### Rovini

The Philippines, Science graduate

“Everyone is really friendly, especially the teachers. You can always ask them questions and they were my biggest supporters, second to my family.

My time was mostly spent in the lab – Berwick Campus has really amazing and high-tech facilities that I enjoyed using to learn. I also participated in student organisations like the student ambassador program and joined a dance group. Both experiences enriched my university journey and helped me meet a variety of people.”

## Make campus your home

Transition to university with ease by staying on-campus with Fedliving. Live just minutes from class, join in social events, and feel supported by our residential wellbeing team every step of the way. You'll connect with friends from different cultures and courses, and may even be eligible for a scholarship to help with rental fees. With flexible, convenient options available, Fedliving is a great way to settle in, succeed and start uni with confidence.

### Pranaya

Nepal, Master of Social Work (Qualifying)

“The greatest thing I enjoy about Berwick Campus is meeting people from all around the world. I've got classmates who are from different continents to share my experiences, as well as listen to their experiences.

Living on campus has been a great experience for me and Berwick is a fantastic place to live. The people are so friendly.”
