

Experience the buzz of multicultural Melbourne, while studying in the welcoming and diverse community of Berwick.

As a student at our Berwick Campus in Melbourne's outer south-eastern suburbs, you will find the peace to focus on your studies while never being far away from the excitement of the big city. You'll have access to an excellent public transport network, healthcare services, cultural centres, beautiful parklands and a thriving entertainment precinct. No matter where you're from or what interests you, you'll feel right at home.

in Australia's best student city!***

Campus facilities

With an emphasis on business, allied health, social work, nursing and IT – the Berwick Campus provides you with state-of-the-art facilities and the latest technologies you will need to master for your future career. The multi-level campus design features science labs, nursing simulation labs, a library, student lounge, study rooms, lecture theatres and more amidst spacious landscaped surroundings. Did we mention there is plenty of on-campus parking available for cars, bikes and scooters? Plus, if arriving by train, Berwick station is just a 15-minute walk to campus.

virtual tour**

Discover Melbourne

Combining modern architecture with impressive landscaping, you'll find our Berwick Campus in the greater Melbourne suburb of the same name. Take a train to visit the eclectic city centre, catch a bus to enjoy the rides at Luna Park, hop on a tram to bask in the sun at St Kilda beach, or ride a ferry from South Bank to the Royal Botanic Gardens and explore the beautiful Yarra River precinct – there's no shortage of fun things to see and do here. Did we mention it's also a coffee drinker's paradise?

Crowned the fastest-growing capital city in Australia, Melbourne is a favourite destination for people from across the globe. So much so, over 31% of Victorians were born overseas and 26% of Victorians speak another language other than English**.

Community and industry engagement

Paid work placements in your chosen industry are integrated into many Federation courses with our Co-operative education model (Co-op).

Make campus your home

Transition to university with ease by opting to stay on-campus in Fedliving housing. Does living within walking distance of campus appeal to you? You'll also attend fun events, feel supported by our residential wellbeing team and get the best start to university life. You may even be eligible for a scholarship towards your Fedliving accommodation.

“The campus is relatively small, making it person-centred so I get the support that I need as an international student.

We have high-tech labs. We are being taught by scientists, experienced nurses and doctors as well. We get the academic and placement support which is essential to succeed and become great nurses.

Berwick is a great location because I can easily get into the city if I want to have some fun or go to the country if I want to wind-down and explore nearby forests or beaches.”

Muskandeep

India, Bachelor of Nursing

Pranaya

Nepal
Master of Social Work (Qualifying)

“The greatest thing I enjoy about Berwick Campus is meeting people from all around the world. I've got classmates who are from different continents to share my experiences, as well as listen to their experiences.

Living on campus has been a great experience for me and Berwick is a fantastic place to live. The people are so friendly.”

Rovini

The Philippines
Bachelor of Biomedical Science graduate

“Everyone is really friendly, especially the teachers. You can always ask them questions and they were my biggest supporters, second to my family.

My time was mostly spent in the lab – Berwick Campus has really amazing and high-tech facilities that I enjoyed using to learn. I also participated in student organisations like the student ambassador program and joined a dance group. Both experiences enriched my university journey and helped me meet a variety of people.”
