Federation TAFE Awards for Excellence 2027

Accenture Award for Excellence

About this Award

The Accenture Award recognises a student enrolled in the Certificate III in Information Technology who has demonstrated outstanding ability and excellence in innovation, problem-solving and the practical application of information technology skills.

The successful recipient will receive a $250 cash prize, proudly sponsored by Accenture.

Eligibility

To be eligible for this award, applicants must:

- be enrolled in the Certificate III in Information Technology
- have demonstrated outstanding ability throughout their training
- have excelled in the understanding and practical application of information technology skills.

Nomination

Please provide a written nomination outlining why the student should receive the O'Connors Ballarat Award for Excellence.

Word limit: 150–250 words

Things to consider

- The student's understanding of information technology concepts.
- Practical skills demonstrated throughout their training.
- Commitment to learning and continuous improvement.
- Innovation and problem-solving skills.
- Contributions made during practical training or in the workplace.
- Any achievements or qualities that distinguish the student from their peers.

Nomination Statement

Supporting documentation

Please attach the following documentation when submitting your application:

☐ Current statement of results

☐ Supporting documentation (if applicable)

Teacher referee statement

A supporting statement from the student's teacher is required as part of this nomination. Please provide a statement outlining why the nominee is deserving of this award. The statement should provide specific examples that demonstrate the student's achievements, strengths and suitability for this award.

Word limit: 150–250 words

Things to consider

- The student's technical knowledge and practical skills.
- Growth and development throughout the course.
- Commitment to learning and continuous improvement.
- Professionalism, attitude and work ethic.
- Contributions to the classroom, workplace or wider learning environment.
- Workplace readiness and industry capability.
- Any achievements, qualities or experiences that distinguish the student from their peers.
- Why you believe this student is a worthy recipient of this award.
