

Federation TAFE Awards for Excellence 2027

Electrical Safety Victoria (ESV) Electrotechnology Student Excellence Award

About this award

The Electrical Safety Victoria (ESV) Electrotechnology Student Excellence Award recognises an outstanding student enrolled in an Electrotechnology qualification who has demonstrated excellence in technical skill, commitment to electrical safety, professionalism and strong industry engagement.

The successful recipient will receive a \$250 cash prize, proudly sponsored by Electrical Safety Victoria (ESV). This award celebrates students who consistently demonstrate safe work practices and uphold the professional standards expected within the electrical industry.

Eligibility

To be eligible for this award, applicants must:

- be enrolled in an Electrotechnology qualification at Federation TAFE
- have demonstrated excellence in both theoretical and practical learning
- have consistently applied electrical safety principles throughout their training
- have demonstrated professionalism and a commitment to industry standards.

Nomination

Please provide a written nomination outlining why the student should receive the Electrical Safety Victoria (ESV) Electrotechnology Student Excellence Award.

Word limit: 150–250 words

Things to consider

- The student's technical knowledge and practical electrotechnology skills.
- Consistent application of electrical safety principles in practical training and the workplace.
- Professional conduct in workshop and workplace environments.
- Commitment to industry standards, legislation and regulatory compliance.
- Demonstrated problem-solving ability and technical competence.
- Contributions to a positive safety culture and support of fellow students.
- Commitment to learning and continuous professional development.
- Achievements or qualities that distinguish the student from their peers.
- Why you believe this student is a worthy recipient of this award.

Nomination statement

Supporting documentation

Please attach the following documentation when submitting your application:

- ☐ Current statement of results
- ☐ Supporting documentation (if applicable)

Teacher referee statement

A supporting statement from the student's teacher is required as part of this nomination.

Please provide a statement outlining why the nominee is deserving of this award. The statement should provide specific examples that demonstrate the student's achievements, strengths and suitability for this award.

Word limit: 150–250 words
