Dear Nossal High School, Federation University and Berwick Healthcare

Clyde Road Upgrade: Upcoming Works

We're upgrading Clyde Road in Berwick, relieving bottlenecks, improving traffic flow, and making your journey easier, safer, and more reliable.

What we're doing and when

In January, once works to upgrade the Kangan Drive intersection are complete, we'll begin the next stage of works on Clyde Road. We'll move traffic onto the newly built southbound lanes on Clyde Road so we can build the new northbound lanes and upgrade the Sir Gustav Nossal Boulevard intersection.

We'll also continue major works to widen the Clyde Road overpass above the Princes Freeway.

Princes Freeway closure at Clyde Road

From **8pm, Friday 16 January to 5am, Monday 19 January**, we'll be working around the clock to complete hydro-demolition works on the western side of the Clyde Road overpass. This involves the use of high-pressure water jets to break down the concrete around the edge of the overpass to expose the steel underneath. These works will generate high noise levels.

Once complete, we'll connect the extra steel reinforcement needed to support the extra lanes we're adding to the existing structure.

Clyde Road overnight closures

On **Monday 19 January to Wednesday 21 January**, we'll close Clyde Road between Bemersyde Drive and Enterprise Avenue from 8pm to 5am each night while we move barriers and set up safe work areas. Detours will be in place via O'Shea Road, Soldiers Road, Bryn Mawr Boulevard and Princes Highway or Greaves Road, Narre Warren Road and Princes Highway, with delays of up to **15 minutes**. Please see map 1.

Long-term traffic changes

From **19 January until mid-2026**, there'll be long-term traffic changes in place along Clyde Road and changes to the way you access Sir Gustav Nossal Boulevard.

Date and time	What's closed?	Detour route
8pm, Friday 16 January to 5am, Monday 19 January Please see map 2	Princes Freeway closed in both directions at Clyde Road.	Motorists will be detoured via the Clyde Road Warragul-bound and city-bound ramps. The detour will shift traffic back onto the Princes Freeway.

How this work affects you

Access to Sir Gustav Nossal Boulevard from Clyde Road will be closed until late April. During this time, you can expect increased traffic along Enterprise Avenue, Intrepid Street and Venture Drive.

To improve safety and reduce congestion on local roads, there’ll be temporary access changes in place. We’ll get back to you in the new year with further details of these changes for motorists and pedestrians when travelling around the area.

We recommend your staff, students and patients sign up for real-time project and disruption updates by **texting CLYDE to 0499 073 073**.

PTV bus changes

Five bus stops along Route 928 towards Berwick will remain closed until mid-2026:

- Beaconhills College/Kangan Drive
- Woodlands Park/Kangan Drive
- Casey Hospital/Kangan Drive
- Clyde Road/Kangan Drive
- Federation University/Clyde Road

Passengers are advised to use alternative bus stops at Soldiers Road and Kangan Drive or walk to Berwick Station. Please visit the Public Transport Victoria website for the latest information: www.ptv.vic.gov.au.

Pedestrian changes

There will be no pedestrian access on Sir Gustav Nossal Boulevard. Detours will be in place via Buchanan Park to Sir Gustav Nossal Boulevard.
